

Reading Schools

Dear Ms Fulton and Moray Primary School,

Thank you very much for submitting your evidence plan for your Reading Schools accreditation. It was very inspiring to read about all your hard work as a school that has gone in to building and sustaining a reading culture - in fact, there was a great deal of Silver activity to be seen on display; your love of reading is really thriving and the joy you have captured in your plan is infectious!

Having looked through all of your excellent evidence, I am delighted to let you know that you have achieved your Reading School accreditation! Congratulations!

The huge amount of work and dedication you have put into the programme really shone through your application – what an incredible reading environment for your learners.

Your accreditation will last for 3 years from this date, and you can resubmit for the next level at any time, should you wish to do so. If you apply and submit your evidence for another level within a year of your previous accreditation, we will not ask to see additional evidence for that level of accreditation, only the new level you are applying for.

You can download your letterhead at:

You will also find a special congratulatory message from our friend, and award-winning author, Ross MacKenzie!

Your trophy, certificate and vinyl will be posted out to you shortly.

We hope you have a wonderful time celebrating this as a school. If you choose to post online about your accreditation, use #ReadingSchools so that we can see it and celebrate with you - and you can always see how other schools are celebrating as well!
